For the last three years I have been taking classes given by the state for Treasurers, Tax Collectors, and Town Clerks. I have also on my own taken a college course through the U. of M. in accounting. I have now met all the qualifications for certification and now I'm state certified. This is good until 1983 when I will have to be recertified.

Respectfully submitted,

PHYLLIS COOLIDGE,  
Town Clerk

## Scholarships

---

### **Greenwood Scholarships:**

Mr. Gary Dunham, son of Herbert Dunham and Sandra Morgan, was awarded the sum of \$300.00 from the Greenwood Scholarship Fund. He is attending Bowdoin College at Brunswick, Maine. The sum of money is paid directly to the school in December 1978.

### **Finlandia Scholarship Fund:**

This is a new scholarship, this year (1978), made available to Greenwood, Woodstock, Sumner and West Paris. This fund was made possible through the Trustees of the National Co-Operative Store, Inc., of West Paris, Maine. Greenwood will receive 2/9's of the interest realized from their original investment. This year the amount for Greenwood was \$188.92 and was awarded to Gary Dunham. It is expected, in future years, this amount would be about \$400.00-\$450.00 a year. The Scholarship is to be awarded to a senior in high school who will be furthering his/her education beyond high school. The person(s) are to be chosen in May of each year, by the School Directors of S. A. D. #44 from Greenwood, and awarded the scholarship at graduation time.

## Report of the Fire Chief

---

During the past year the department has had twenty-two calls as follows: six house fires, nine chimney fires, two forest fires, three false alarms, one wash-away of gasoline and one call administering oxygen. This was almost twice the number of calls for 1977 but with very careful planning the Department has been able to stay within the budget. The Department officers also made several checks on camp fires and possible chimney fires during the year.

The Department continues to have a regular fire meeting, an officers' meeting and at least one training session per month. At the present time we are having a series of forest fire training sessions. These are provided and taught by personnel of the State Department of Conservation and there is no expense to the town either for materials or instruction.

The Fire Department still has telephone stickers available to occupants of Greenwood giving the toll free number for Oxford County Fire Control (1-800-482-7433) to be used for reporting fires. If anyone has not yet received one, please contact any member of the department.

It appears that the mutual aid agreements which we have with the surrounding towns are working satisfactorily. This next year we are hoping to have some training with these towns using possible situations and problems which could arise during any large fire requiring the use of several municipal fire departments.

This year we are asking for an increase in our budget of \$300 in the fires and expenses account which amounts to only 4% over last year. This would include the increases on truck and personnel insurance and supplies. You will see an article in the Warrant for funds for future fire equipment. The newest tank truck in the department is 23 years old and eventually will have to be replaced. This purchase

would not necessarily take place this year but if a good second-hand tank truck became available we would like to be able to take advantage of the opportunity.

I would like to take this opportunity to thank the officers and members of the Department for their continued cooperation and dedicated service to the Town of Greenwood and thereby providing protection of lives and property.

January 25, 1979

Board of Selectmen  
Greenwood, Maine

Gentlemen:

In accordance with the provisions of Title 30, Section 5253, Revised Statutes of 1964, and at your request, the financial records of the Town of Greenwood have been audited for the municipal year ended December 31, 1978.

As required by statute, one copy of this report together with the audit procedural form prescribed by the state auditor for governmental audits in accordance with statutory requirement have been forwarded to the State Department of Audit.

The examination was in the form of a limited general audit and performed in accordance with standards established by the State Department of Audit and by the National Committee on Governmental Accounting. Audit analysis was on a basis consistent with the proceeding year and included all procedures considered necessary.

Transactions effecting Federal Revenue Sharing Funds were examined in accordance with the "Audit Guide and Standards for Revenue Sharing Recipients" issued by the Office of Revenue Sharing, U. S. Department of the Treasury.

Insofar as could be ascertained within the scope of the examination, the financial affairs of the Town appear

to have been appropriately handled, with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules together with the accompanying comments present the result of the financial operations of the Town for the period designated.

All of which is respectfully submitted.

C. R. WOODMAN  
Public Accountant

## COMMENTS

### TOWN OF GREENWOOD

January 1, 1978 to December 31, 1978

An Audit of the financial records maintained by the various officers of the Town of Greenwood has been completed for the municipal year ended December 31, 1978.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following comments, exhibits and supporting schedules.

Net departmental balances laped to general fund surplus amounted to \$17,069.68. This was occasioned by unexpended balances in excise tax and overlay accounts (Exhibit D). Most unexpended balances were carried forward to 1979 at the direction of the Selectmen.

**ASSETS . . .** The general fund cash balance of \$47,565.00 was reconciled with a statement furnished by Casco Bank and Trust Co., Bethel, Maine.

Accounts receivable of \$217.56 consisted principally of balances due from individuals for cemetery and highway activities.

Taxes receivable of \$43,182.20 represented the uncollected balance of the 1978 commitment of \$42,883.08 and a balance of \$299.12 from prior years.

Tax liens amounted to \$6,298.26 at year end, while tax acquired property totaled \$1,114.96.

**LIABILITIES . . .** The Town had no recorded liabilities at the year end.

**SURPLUS . . .** Appropriation account balances carried forward to the ensuing year amounted to \$34,162.92, and represented departmental balances carried forward at the direction of the Selectmen.

The unappropriated surplus amounted to \$64,858.49 at the year end, an increase of \$19,987.64 for the period.

**REVENUE SHARING FUNDS . . .** available from the State amounted to \$8,206.99 and \$8,850.32 was applied to reduce the tax rate. Federal revenue sharing funds available amounted to \$56,383.61, of which \$34,892.38 was used as voted by the Town. Detail is shown on Exhibit F.

Included in this report are exhibits and schedules pertaining to the financial status of the Town. Audit procedures were utilized to the extent deemed necessary to develop these statement.

It is believed that the accompanying balance sheet and supporting statements fairly present the financial position of the Town at December 31, 1978, and the result of its operations for the year then ended.

## Report to the Taxpayers of Greenwood

---

The highway department using special road and T. R. I. money completed a portion of road in the Richardson Hollow area. Also work was done on the Howe Hill Road, as this now is a year-round road.

It is the intention of the assessors this year to visit, inspect, measure and value all new construction, additions, remodeling and all property that was sold in 1978 and 1979. All mobile homes will be measured and valued by a more up-to-date value than what has been done in previous years. Also certain areas will be visited and updated in valuation this year.

The State valuation for the year of 1979 is \$13,500,000. This is about a 18% increase from the previous year.

This year, duties of the selectpersons will be shifted around so that all three will assume certain duties. This should distribute the work load more evenly.

I wish to thank Norman and Roger for their interest and help this past year.

HERBERT E. DUNHAM, Chairman  
Board of Selectpersons  
Town of Greenwood
